Write on Seaside

Sunday, April 14th 2019
Seaside Convention Center

*A fundraiser supporting
Library services for all children in
Clatsop County together with the
Seaside Public Library Foundation*

Doors Open @ 5:00pm
**Author Meet & Greet, Author Extravaganza,
Little Free Library Auction & More!**

Write on Seaside!

Sunday, April 14th 2019 ♦ Seaside Convention Center
Doors Open at 5pm

Join the Seaside Public Library Foundation fundraiser in partnership with Libraries Reading Outreach in Clatsop County (ROCC) for an entertaining evening with eight local authors. Bid on becoming part of an author's short story and hear authors read exciting excerpts from their stories'. Peruse the Little Free Libraries on display and decide which one of a kind little library you want to win. Authors will be available for books signings.

Money raised will benefit Libraries ROCC and the Seaside Public Library Foundation. Libraries ROCC relies on this annual fundraiser to provide all children in Clatsop county with free library cards, countywide summer reading, as well as supporting library services for all children in our county. The Seaside Public Library Foundation's goal is to provide long term lasting support for the Seaside Public Library, to help with the current radio frequency identification tagging library project, book backpacks for kids and families at the library, and Spanish materials for the library's collection.

\$10 Admission ♦ All Ages Welcome ♦ Lite Bites ♦ No Host Bar

The Seaside Public Library Foundation was established to raise funds for the Seaside Public Library, to enhance the Library's place in the community, and to support literacy efforts in Clatsop County. The Foundation support complements tax payer's funds for the Library.
